

# Success record for Maquis

Don't print this - the sheet starts on next page

If you want to see how your resistance workers fare over time, keep a record

## Printing

They're created at A5 size, which is half of A4.

The easiest way to print, using A4 paper, may be to slice it in half first, then use it as A5 sheets.

A4 is longer than **letter** size, but not so wide. I have not tried the leaflets out on letter sized paper.

Some little rules leaflets for good fun games ►

Fun, popular games available from [FunGames4CasualPlayers](http://FunGames4CasualPlayers.com)

### [Palm Island](#)

A very small solo game, based on but seventeen cards - an island game that truly does fit into your palm.

### [Jekyll vs Hyde](#)

For two players who enjoy the cut and thrust of a trick taking game, this is of incomparable value

### [Merchants of Dunhuang](#)

A (*perhaps the best*) four player game set in a medieval market - inexpensive, but very rich in challenge and versatility.

### [Maquis](#)

A solo game in which one must achieve two daring missions as a member of the French Resistance - the Maquis.

### [Black Sonata](#)

A solo searcher sets out to track down and unmask Shakespeare's "Dark Lady" as she traverses the streets of London. **Much** deductive thinking!

### [Mr. Jack](#)

For two players, this game brings head scratching aplenty, and even the occasional fluttering heart - truly!
